

PATCHWORK *of* LOVE

A UNIQUE ART WORKSHOP TO HELP GRIEVING HEARTS

FREE ART EVENT

Join us for Patchwork of Love — a free, creative gathering to honor all who grieve. Together, we'll craft heartfelt collages and memory cards in tribute to loved ones lost. These works will come together in a patchwork-style community display—inspired by the AIDS Memorial Quilt—as a collective expression of love, loss, and remembrance. All ages and experience levels are welcome.
